

PERMISSIVE ACCESS

This is a small extension of open access land to include this field to create a link to and from the road. From the fell there are impressive views over Vindolanda and the surrounding land. The fell itself contains the remains of a Roman signal station which is a scheduled monument. Please note that this is a working livestock farm and take care to close all gates behind you.

This access is provided under the Department for Environment, Food & Rural Affairs' farm conservation schemes as managed by Natural England, helping farmers and land managers protect and improve the countryside, its wildlife and history. It is permissive access and no new rights of way are being created. Existing rights of way are not affected. Please follow the Country Code & local signs. CRoW Open Access is provided under the CRoW Act 2000 and gives rights of access to open country (For details & restrictions see www.countrysideaccess.gov.uk). Do not disturb wildlife, livestock or other visitors and in particular keep dogs under control. This is working farmland so please take care. People using this site do so at their own risk. Access ends on 31st May 2020.
